INSTRUCTIONS TO LOCAL SECRETARY-TREASURERS.

Local Secretary-Treasurers should be thoroughly familiar with their duties as defined in the Constitution, and, by carefully adhering to the following important rules, the business of their Local will be transacted in a satisfactory manner:

1st. The Ledger and Day Book, furnished by the International Headquarters, are for the use of the Local Secretary-Treasurer, and should be brought to every meeting.

2d. Enter all money you receive for dues, initiations, fines, etc., with pen and ink, on the Receipt side of your Day Book, at the time you receive the money in the presence of the member. Do not wait until you get home to do this work, and never make entries on loose slips of paper which may become lost or mislaid.

3d. Enter all money that you pay out, with pen and ink, on the Expenditure side of the Day Book, immediately upon paying the same, and carefully file away itemized receipted bills, that correspond with every expenditure recorded in your books.

4th. The Secretary-Treasurer should stamp the Official Due cards of members with the Per Capita Tax Stamp at the time each member pays his dues, and cancel the stamp with the date of receipt. These stamps constitute the official receipts of the Local and International Unions, for dues and per capita tax, and if cards are not stamped and properly cancelled as provided by the Constitution, strike, lockout or other benefits cannot be paid by International Headquarters.

5th. When forwarding money to International Headquarters, always procure a Post Office Money Order. Keep the receipt you receive at the time you purchase the order until you receive your receipt from Headquarters. Then attach both receipts together and file them away carefully for examination by your President or Trustees.

6th. If there are any doubts in your mind as to the proper method of making entries in the Day Book or the Ledger, consult with the other officers of your Local, so that your books may always be kept in a systematic and businesslike manner.

7th. After each meeting all monies received and entered in the Day Book should be posted in the Ledger, to the credit of each individual member's account.

8th. When ordering supplies from Headquarters, or sending in your monthly reports, always use the Official Blanks, which are furnished free by Headquarters, and do not fail to report the number of members in your Union, as explained in the Official Report Blank, between the 1st and 15th of each month.

9th. Local dues are payable on or before the 20th day of each month and a supply of Per Capita Tax and Initiation stamps should always be kept on hand by the local Secretary-Treasurer, so that initiation fee or dues of a member may at all times be promptly receipted for.

10th. The Secretary-Treasurer is the custodian of the rubber stamp which bears the name and number of the Union, and all reports and orders sent to Headquarters should be stamped with it.

11th. The Recording or Corresponding Secretary is the custodian of the Official Seal of the Local, and this seal should be placed on all official communications sent to Headquarters.

NOTE CAREFULLY THE DUTIES OF THE SECRETARY-TREASURER, AS DEFINED IN THE CONSTITUTION, ALSO INSTRUCTIONS ON OFFICIAL ORDER AND REPORT BLANKS.
